## EMPLOYMENT HISTORY

### ◆ Background Artist

November 2022 - January 2023

*Mighty Studio*

I Worked as a background designer and painter for the upcoming Cartoon Network Latin America's show "Rey Misterio vs La Oscuridad".

Worked closely with the art directors and had multiple meetings to meet the hard deadlines.

### ◆ Background & Prop Artist

January 2022 - November 2022

*Team Toon Studio*

- I was in charge of creating and painting backgrounds for the Youtube show "Tuttle Twins".
- I was also assigned as concept artist and drew some props as well as concept art of the locations.
- Worked closely with the art director of the show.

### ◆ Background Artist

January 2021 - Present

*Freelance*

I have worked as a background designer and painter on the side, working from small projects for videogames, short-films to bigger projects like trailers and shows with clients from all over the world.

### ◆ Graphic Designer & Illustrator (Mid)

February 2021 - January 2022

*SUMA Wealth Inc.*

- Created designs and illustrations for campaigns.
- Worked as the art director during multiple of campaigns.
- Worked as a designer for social media creating posts, gifs and motion graphic videos.
- Created a virtual world in Remo from start to finish.
- Developed both the design and the web page for the Dinero Fest campaign.
